"CSA 2013" AGREEMENT

Contract for CSA

I, _____, the Participant hereby agrees to participate in the pick-up option of the CSA 2013 ("CSA") sponsored by Cedar Rock Farm ("CRF") subject to the terms and conditions of this Agreement.

1. Cost: The cost of participating in the CSA shall be \$450 for a full share, \$235 for a regular share. The cost entitles the Participant to weekly pick-ups of produce grown with organic methods. The cost shall include the cost of packaging and handling. 50% of the payment is attached.
 2. Time: Pick-ups shall commence on the weekend when CRF has enough produce to deliver to the Participant. This should begin on June 6, 2013. However, it may be delayed due to poor weather conditions. Deliveries will begin no later than June 13, 2013, and continue through the weekend of October 14, 2013. Produce shall be available at the Participant's convenience for pick-up on Saturday morning, after 9:30 AM. Frostburg would be in the afternoon.
 3. Place for Pick-up: Produce shall be available for pick-up at the Cumberland Farmer's Market. If the equivalent of 4 shares are purchased from the Frostburg area, CRF will deliver to Frostburg on Saturday afternoon, time to be determined.
 4. Responsibility for Pick-up: By selecting the Pick-up option, the Participant shall assume full and complete responsibility for the pick-up of the produce each week at the site selected in a timely manner. If a Participant fails to pick-up the produce during the time specified above, then the Participant shall forfeit his/her produce for that week. In the event that CRF shall prevent the Participant's access to the produce at the specified pick-up location, then CRF agrees to replace that week's produce at no cost. If the Participant will be out of town for a lengthy period of time, they should consider selling/giving their week's pick-up to another customer/friend, or donating to an organization such as the Union Rescue Mission, which CRF would deliver to.
 5. Products: Each week, the Participant will pick-up a package consisting of multiple different farm Products. The variety of the Products in the package which may be available for pick-up include but are not limited to: beans, beets, broccoli, cabbage, chard, corn, cucumbers, kale, lettuces, mixed greens, onions, peas, peppers, potatoes, radishes, salad mixes, spinach, tomatoes, winter squash, and zucchini. Of course, the availability of which depends on the growing season.
 6. Work Share: If participating in the optional work share, the Participant agrees to work the hours he/she specifies by the end of the season. If the Participant cannot work those hours, he/she agrees to return to CRF the remainder of the discount that was not worked for.
- CRF shall use the highest degree of skill in harvesting/farming to ensure that a variety of top-quality Products will be available. However, Weather Conditions (e.g., drought) may limit the variety of produce available for distribution at any one time. CRF will irrigate to keep drought-related damage to a minimum.

By participating in the CSA, the participant accepts to share the risks that occur in a vegetable farming operation. CRF is not responsible for any major weather/natural events such as tornados, 100-year-old floods, lightning, biblical swarms of locust, or similar events. If such an event would destroy the crops for the season, CRF may refund the Participant up to 25% of the cost of the share.

I hereby agree to participate in the Pick-up Option of the CSA 2013 sponsored by CRF. I have enclosed a check or money order for 50% of the total cost indicated above (There is a \$25.00 fee for any checks not honored by the Bank for any reason.). Make checks payable to **Sam White**. The remainder of the amount is due June 20, 2013.
